THE 1956

CHIEFTAIN

CENTRAL HIGH SCHOOL

MUSKOGEE OKLAHOMA

MOMENTS

Remember Bob Drake's long run to turn the tide against Tulsa Rodgers?

Remember the '50s?

"The pride of Muskogee's" itty-bitty dwum?

TO REMEMBER

The teachers help, when needed most.
The classroom pals who were so close.
We will have those things to remember.

Activities, we knew so well
The Rougher teams who played so swell
We will have things to remember.

Organizations, numerous
With their projects so well done
And royal majesty on high
Fit honors to be won.

When other nights, and other days
Shall find us gone our separate ways.
We will have old Central to remember.

urtis Campaign?

The "Little Nationals" speech tournament?

For his sincere desire to prepare us for the future and his many unsung acts of help and encouragement we respectfully dedicate this the 1956 Chieftain to Mr. J. Edward Dunn.

May I have the honor of congratulating each of you upon your graduation from Central High School in 1956. Many opportunities for a successful and worthwhile life of service lie ahead of you today. Each of these opportunities will carry with it a responsibility of much importance and your success at the tasks you are called upon to perform will depend in a large measure upon the attitudes and habits which you have acquired during your first twelve years of school. During these twelve years, if you have learned that there is dignity in hard work; that a worthwhile task once begun should be completed; that others are due consideration for their ideas and opinions, you have a good basis for success in whatever you do. The ability to do good work in all fields seems to be becoming more and more important in the lives of young people in America as the years come and go.

Your friends as well as your family have much confidence in your ability to cope with the future, whatever it may hold for you, and I know that they share with me in wishing for you all the blessings and successes in life that you deserve.

Harry D. Simmons
Superintendent of Schools

Congratulations to you who have stayed in school these twelve years and are now graduating from Central. One half of your class has dropped by the wayside. And our sincere commendation to those of you who will continue your education after receiving the diploma.

As you continue to build a good life remember this, you are the architect of your own fortune. One of your greatest blessings is the privilege of shaping your own destiny and the opportunity to build, day by day, a beautiful personality, mind and body, in which to spend the rest of your lives. If you are good architects, if you keep the goal constantly in sight, there will be not only the happiness and security of a well-built future, but there will also be joy and pride in the day-by-day building of it.

Again our blessings and congratulations for each one of you who recognizes his opportunities and acts willingly to assume his responsibilities. The class of 1956 is a wonderful group. God speed.

Sincerely,
B. L. Wertz

The Phoenix Federal Savings and Loan Association is immensely interested in the graduates of Central High. We are also interested in the parents who have sacrificed to get their children through Central and to prepare for college. It is a pleasure to help people handle their finances both their savings and loans on their homes in furthering the education of their children.
